

HSE INTRODUCTION AND INDUSTRY PRACTICES

BY AIJAZ KHAN

The session was delivered by Aijaz Khan, an experienced HSE Executive currently working at Descon. With a career spanning OGDCL, Shell Pakistan, and Engro Polymer & Chemicals, Aijaz brings a wealth of knowledge and insights to the table.

During the session, Aijaz covered the significance of HSE in the Petroleum Industry and the best practices employed to ensure a safe and healthy workplace. He also delivered guidelines and demonstrate the use of firefighting equipment, which is essential for any HSE Executive.

Furthermore, Aijaz shared how Petroleum Engineers could transition and take up HSE as a career.

The session was arranged on May 11, 2023 at Petroleum Engineering Department, NEDUET.
