

EMERGENCY EVACUATION DRILL – FIRE DRILL

Department of Petroleum Engineering has conducted a “FIRE DRILL” on 16th January 2025 at 11:00 hours. The number of people evacuated were 85 including students, staff members, and faculty members. The department was completely evacuated in about 3 minutes after the fire alarm was activated. After the assembling of all the participants, Dr. Javed Haneef (Department Chairman) and Dr. Fareed Iqbal Siddique addressed the importance of health & safety and the fire drills to the students.
